

Judging is permitted and even obligated

All men are everywhere permitted and even obliged to assess human claims upon truth, beauty, or goodness, and to appraise the character, conduct, and teaching both of themselves and of their fellows. Lev.19:15; Mt.7:15-19; Lk.12:57; Jn.7:24; 1 Cor.2:15; 5:3, 9-13; 6:1-6; 1 Thess.5:21.

But judgment that is uninformed, impulsive, superficial, premature, or biased is strictly forbidden in the Bible...Christians are urged, when they judge, to do it in a constructive spirit and in accordance with authentic norms.
